AS A MONTANA VOTER
YOU HAVE THE RIGHT TO:

- Cast a private and independent ballot
- Vote in an accessible way
  You can vote at your local polling place, by mail (absentee), or by Electronic Ballot Request System (EBRS), which allows qualified voters to vote absentee digitally.
  At the polls, you can request to vote with an accessible voting machine, either the ExpressVote or AutoMARK. You can also ask to vote at the curb of your polling place.
  Call the Secretary of State’s Election & Voter Services at 406-444-9608 to find out where you will vote or to request an accessible method above.
- Ask for help
  You can ask an election judge or election administrator for help at the polls. You can also sign a form to “designate an agent” to help you in casting your ballot, whether absentee or at the polls.
- Identification (ID) you will need
  You can use these IDs to vote: Montana driver’s license; Montana state ID; a military-issued ID; a tribal photo ID; U.S. passport; or a Montana concealed carry permit. Other IDs, like a student ID, must be included with another official document including the voter’s name and address, like bank statements, utility bills, vehicle registration, or other government documents.
- Cast a ballot as long as you are in line when the polls close
